

**July 2003**

## **Oops**

In the last issue of *Bear Necessities* we stated it had been a long time since a gift concession at the Ted Stevens International Airport had been controlled by an Alaskan. We were wrong...David Green Group, dba Duty Free Alaska, is 100% owned by Alaskans and has been a gift concessionaire at the airport since 1995. Each year they purchase significant amounts of product from Made In Alaska permit holders. Sorry for the oversight.

## **Products Guide**

The 2003 Permit Holders and Product Guide is out! This is the second annual release of the product guide, and again we have had great reception. We are proud to have featured a collage of Made in Alaska product photos on the cover this year.

20,000 guides have been printed, and most have been distributed throughout Alaska. There are, however, a limited number remaining. If you would like a stack for your retail display or to distribute, please call or email the Made In Alaska program to request yours today. We will ship the guides in bundles of 25.

## **Sitka Trade Market**

The 2003 Sitka Trade Market will be held at Harrigan Centennial Hall in Sitka from Thursday, October 23<sup>rd</sup> through Sunday, October 26th. The application deadline is August 31st. All Made In Alaska permit holders are eligible to apply. For information or to request your application for a vendor space, contact: Mim McConnell @ 966-3301, Email: [advisor@sitkaworks.org](mailto:advisor@sitkaworks.org)

## **Egan Center Display Wall Big Success**

Would you like to have your product seen by lots of people, especially visitors to Anchorage? The Egan Convention Center is the site of gatherings of all sorts and sizes, from weekend arts and crafts events to week-long national conventions to "Thursday Night at the Fights." Now there's a way to have your product seen by all these visitors to the Egan Center?

The Egan Center has provided a display case to showcase Made in Alaska products. The products are displayed on a shelf labeled with the company's business card and a list of stores where the product is available. Products currently on display include fishing flies from Claire's Fly's of Naukati, hand-woven baskets from Northern Spirits Basket Cache of Palmer, and bottled water from Aqua Photo of Homer.

Products on display are changed every three months. A business may have products on display more than once, but new products must be provided. The projected change-out dates are August 15, November 15, February 15, and May 15. Products are still being collected for the August – November display.

(Continued from page 1)

To have your product included in the display, call Ruth St. Amour, Department of Community & Economic Development, at 269-4527 and ask for the "Alaska Products Display Request." For the Egan Center display, products must have a Made in Alaska permit and a current business license. The product must be available for sale in the Municipality of Anchorage, which includes Eagle River and Girdwood, and must fit on the 6" x 11" display shelf. No more than two similar items are on display at one time.

There are also display opportunities for products not available for sale in Anchorage. The Department of Community & Economic Development maintains Alaska Products Displays in its Anchorage and Juneau offices, and in the Governor's Office in Washington D.C. These displays can also be requested on the "Alaska Products Display Request."
